### **PARENTS' ROLE**

Parents have the greatest influence on each child's level of enjoyment. Your child, his/her teammates, and opponents should hear only encouragement from the sidelines. The coach should be the only one "coaching" during the game. Encouraging your child and his teammates after the game is very important for young children. Teaching good sportsmanship in victory and defeat is an important skill that can begin at home. Practice and preach commitment and the idea that soccer is a team sport in which one relies on the others. Do not argue with or yell at the referee.

The league goal is that participants have fun and that everyone participates. If your child is not having fun, please speak to the coach or one of the league officials.

All parents are asked to volunteer when possible, to become familiar with league rules and to join in the fun. Parents are also asked to transport their child to practices and games on time and notify coaches when an absence is anticipated. You should check with the coach about his/her policy for parents leaving children at practices and games. ***It is your responsibility*** to be on time to pick up your child.
