It also offers students the opportunity to invent as much as they inherit and will give students the opportunity to develop their own talents in relation to the talents of others. Each session will also include an opportunity for dancers to display their learned skills and talents for family and friends on the final day of the program!

**Transportation will not be provided – guardians are responsible for getting their dancers to Brunswick Junior High for their dance session. Students may, however, walk or get dropped off at BJHS from their normal bus route with a permission form!**

**Classes will be taught by Instructor Kate Andreu.**
