

FUNdamental Basketball for Grade K

The Brunswick Parks & Recreation Department is excited to introduce a new basketball program for Grade K. This new co-ed program will focus on teaching players the introductory skills of basketball. Using skills, drills and small sided games players will work on learning dribbling, passing, shooting, defense, body awareness and movement. Time will also be spent explaining the game of basketball. This program will be held on Wednesdays, meeting directly after school in the gym where kids will be able to get a snack and unwind until the program begins at 3:45. The program is limited to the first 25 kids enrolled and will run on Wednesdays from January 9th through February 13th. This promises to be a fun and exciting program!

The program will be led by Tracey Peck-Moad, a physical education teacher in the Brunswick School system. Her specialty is the development of fundamental motor skills in the elementary age child. The program will include a FUNdamental T-shirt!

The Parks and Recreation Department encourages individuals with disabilities to register for this program. Should you desire further information, contact the Recreation Department at 725-6656. To view our refund policy, visit us at www.brunswickme.org/parkrec

✂---Please cut and return bottom portion to the Brunswick Recreation Center, 220 Neptune Drive by Monday, January 7, 2019✂---
