2011

**W**e thank all of our parents who contributed to our Halloween parties with various party supplies, and pumpkins. For those of you who wanted to help but found the sign-up sheets already filled, we have other celebrations throughout the year in which you can participate.

As we approach boot weather, we need to remind you that your child may not wear boots in the classroom. Their feet become too warm and the floor wet and slippery. You may choose to have your child leave an extra pair of shoes in the cubby or send shoes in a backpack, etc. We have extra sneakers available for those days when shoes are forgotten. It is also important to remember that soft-soled shoes are necessary for the gym floor.

We would like to ask that your child's name be written somewhere in their coat and boots. Sometimes more than one child has a similar article of clothing and it is confusing for them and us. Thank you for your cooperation.

**ILLNESS** - It appears that the cold and flu season has begun. We *encourage* you to use *discretion* in making a decision about sending your child to school if he/she is sick. As a staff, we feel it is appropriate for you to

override your child's wish to come to school when he/she is not feeling well.

If you bring your child to school some morning when you're not sure whether your child is feeling well and you are not going to be home in the morning, please leave a phone number with your child's teacher where you can be reached. Even though we have emergency numbers, we would feel better knowing where to contact you if your child is sick. Thank you.

## REMINDER

**Gym Use** There is a Recreation Department Policy that the gym is not available for preschool use before the start of the morning sessions. We appreciate your observance of this policy.
