

The Brunswick Youth Soccer League (BYSL), in cooperation with the Brunswick Parks & Recreation Dept., is offering a K to 12 Fall Soccer Program for boys & girls that reside in Brunswick.

BYSL offers one of the most popular and well-established youth programs in Brunswick. Our goals are to teach soccer skills in an environment that fosters player growth, encourages fun, and

develops self-esteem for every player. Your child will enjoy improving his/her skills in a community based program, playing with and against friends, neighbors, and classmates, and with a balanced and healthy level of competition.

VOLUNTEERS NEEDED

BYSL is an all volunteer organization; we need your help! It takes many people to provide this program to you and your child. Please consider helping us in some way or another. If you have an interest in coaching or assistant coaching during the upcoming BYSL season, then we would like to hear from you. If you have not coached before the league has training resources available to you as a volunteer coach: hands on clinics, NYSCA training, handbooks, video tapes and experienced coaches advice that will provide the tools you will need in your coaches "toolbox". Most coaching tools you already have and use every day as a parent: a desire to have fun with your child and other children, a desire to teach your child and other children, a desire for your child and other children to make new friends and be part of a team.

Please let us know if you are willing to help in the following areas. Check the appropriate box if you can help.
