The world's leading FUN science provider!

MAD SCIENCE - SYSTEM 4

Mad Science is introducing our 4th system of six-week programs filled with terrific hands-on science experiments. Some of the spectacular science topics we will explore include Detective Science, Mad Science Machines, Bugs and lots more. Each young Mad Scientist will be making some great take home projects too, including sedimentary stackers, Mad Science rocket racer, a U.V. detector and more. This program has been developed to spark the imagination and curiosity of children, grades K-5, by providing educational and entertaining activities that instill a clear understanding of what science is really about and how it affects the world around them. All materials are included.

The series will take place at the Brunswick Recreation Center. The registration fee is \$72 for Brunswick residents and \$96 for non-residents. All materials are included in the cost of the course. Registration is limited to Brunswick Residents.

Visit us online at www.brunswickme.org.

The Parks and Recreation Department encourages individuals with disabilities to register for this program. Should you desire further information, contact the Recreation Department at 725-6656.

✂**Detach & return with fee to the Recreation Center, 30 Federal St., by March 31st.** Office hours Mon.-Fri., 8am. to 4:30 pm
