**Brunswick Parks & Recreation - Playground Program**  
**Summer Lunch Initiative**

The Brunswick Parks & Recreation Department, in collaboration with Mid Coast Hunger Prevention, and Access Health, are offering a summer lunch initiative at this year's Playground Program. This service consists of a bag lunch being provided each day that the program meets during each 3 week session. This service is being offered to all registered children in the Playground Program. \*Children that are currently receiving free or reduced lunch through their local school dept. are eligible to receive this service at no charge. All other families may purchase this service for \$56.00/per child/per 3 week session.

*\* = Brunswick P&R will verify status for those applicants within the Brunswick and SAD 75 school districts. For any applicants that attend school outside of those districts, verification will have to be obtained (by the applicant) and submitted to the Brunswick P&R dept for verification. Verification must include written authorization by a district's food service director. Registration must be received by 6/22/09 to ensure lunch on the first day.*
