Girls entering grades 3 to 9, in the fall of 2009, will have fun playing and learning about field hockey. The camp is designed for beginning players who will be introduced to the basic fundamentals of field hockey. 'Stick to It' camp will emphasize the basic skills and techniques of shooting, dribbling, passing and other fundamentals of the game. So join us and learn new drills and skills while making new friends.

Equipment needed: Field hockey stick, mouth piece, shin guards and appropriate clothing and footwear. There will be a limited number of sticks available to be borrowed during the week or check out our special offer this year – for \$32 (in addition to registration cost) you will receive a stick, ball, shin guards and a mouth guard which are yours to keep at the end of the program. ***This equipment offer is only good through July 16th due to ordering deadlines.***
