Council Notes and Suggested Motions

45. Bowdoin College has informed the Town that the College is willing to reverse the action that resulted in the Town acquiring the McLellan Building. One of the original options considered by the Town was to sell the Longfellow school to Bowdoin for \$2,000,000. If the Council chooses to do so, the McLellan Building will be conveyed back to the College and the Longfellow School is sold for \$2,00,000.
