

BRUNSWICK VILLAGE REVIEW BOARD
March 20, 2012

MEMBERS PRESENT: Emily Swan, Janet Roberts, Betsy Marr, Jane Crichton

STAFF PRESENT: Kris Hultgren

Emily opened the meeting at 7:15.

Discussion:

The Board discussed its programming for National Historic Preservation Month in May focusing on Brunswick's Hidden Gems. They will again have the Photo Contest, Emily said she will prepare the entry form and then run the press release. It was agreed that the Curtis Library is a good venue for the contest and Emily said she will coordinate with Mike Heath at the Curtis Library about displaying the photos.

Fred Koerber is willing to do the presentation on the Fort Andross and Anniversary Park area and is available to do it any Saturday in May. To avoid conflict with Brunswick Downtown Association Clean Sweep, the date is to be determined, a tentative date is May 12th. Emily asked for ideas for the photo feature in the Times Record focusing on Brunswick's Hidden Gems. Betsy suggested Davis Park as a possible subject. Emily said she will contact the Times Record photographer about running it again this year.

Review:

Emily provided a draft of a letter to be sent along with the new informational brochure for realtors and other interested parties. It was agreed that Emily would work with Kris Hultgren on distribution. Jane Crichton suggested also sending it to contractors and Codes Enforcement staff.
