The world's leading FUN science provider!

The Brunswick Parks & Recreation Department is partnering with Mad Science to offer another exciting course to spark the imagination and curiosity of children grades K-5. Mad Science provides educational and entertaining programs that instill a clear understanding of what science is really about and how it affects the world around us. **This Fall's NEW program is - TAKE A BITE OUT OF SCIENCE!**

Program Description: Has your mom ever told you that you have a big appetite? If so, then we invite you to "Take a Bite out of Science" in this indulging afterschool program that will satiate your curiosity! In this sampler "course" children unravel the mystery of chemistry and watch crystals form in a water glass, experiment with hovercrafts, build and take-home Technicolor Blenders to demonstrate Newton's color wheel invention. Grab your ticket to the stars, watch stardust burn, and investigate the sky with your own pocket sky map. Walk in the shoes of a detective and examine fingerprints, mystery powders, ink samples, and teeth impressions. Get bug eyed with an Insect-A-Vision take home that gives you an insect's point of view. Whether you like your science savory, spicy, or sweet, this class is sure to satisfy all your curious appetite. **Classes are:** Che-mystery, Detective Science, Lights, Color, Action, Sun and Stars, Under Pressure, and Bugs!

For a more detailed description, visit Mad Science at www.madscience.org/maine
