The Downtown Brunswick and Outer Pleasant Street Master Plan Committee will conduct a walkabout of the 250th Anniversary Park and Frank Wood Bridge on Thursday, December 1, 2016, beginning at 3:00 PM. The Committee will meet at the Fort Andross front parking lot (east side). The purpose of the walkabout is to visually survey the area in order to provide input to the Brunswick-Topsham Bridge Design Advisory Committee and identify any additional items for MPIC consideration.

This is a public meeting and all are invited to attend. Maine Street is a heavily traveled corridor. Please dress appropriately.
