

**NOTICE OF AVAILABILITY
AND
PUBLIC COMMENT PERIOD**

**Proposed Plan
Quarry Area
Former Naval Air Station Brunswick, Maine**

The Department of the Navy announces the availability for public comment of the Proposed Plan for the Quarry Area at the former Naval Air Station Brunswick, Maine. The plan was prepared as required by the Comprehensive Environmental Response, Compensation, and Liability Act (also known as Superfund). The Quarry Area is located near the western base boundary, west of the southern end of the airstrip runways. Soil contamination at the Quarry Area occurred as a result of its use for disposal of munitions items and miscellaneous debris, state-approved landfarming of petroleum-contaminated soil, and military/security training using small arms blanks, practice grenades, and smoke grenades.

PUBLIC COMMENT PERIOD

The Proposed Plan is available for public review, and comment from August 9 to September 8, 2017. Comments must be submitted in writing and postmarked, or e-mailed no later than September 8, 2017. If you have any questions, please contact:

Mr. Paul Burgio
BRAC PMO East
Building 679, Naval Business Center
4911 South Broad Street
Philadelphia, PA 19112-1303
paul.burgio@navy.mil
Phone: 215-897-4903; fax: 215-897-4902

PUBLIC MEETING

On August 15, 2017, the Navy will hold a public meeting at the Best Western Inn located in Brunswick, Maine. From 5:00 to 7:00 pm, Navy staff will be available to explain proposed plan details and answer questions. Thereafter, a formal meeting will begin at 7:00 pm to allow the public a chance to provide comment to the Navy.

FOR MORE INFORMATION

Community input is important to the remedy selection process. The Proposed Plan for the Quarry Area is available on the Department of the Navy BRAC Program Management Office website, www.bracpmo.navy.mil, and also at the Information Repository listed below during normal hours of operation:
