*** WE EXPECT THIS PROGRAM TO FILL UP QUICKLY. REGISTER SOON! ***

Starting the week of November 13th through the 18th of December, the Brunswick Parks and Recreation Department will be offering a *six week* Youth Hip Hop Dance program for boys and girls on **MONDAYS** at the Harriet Beecher Stowe School from 3:30-4:30pm.

Get up and MOVE! In this club students will learn hip-hop choreography and technique while also developing their understanding of rhythm, body awareness, and self-expression! Students will learn new and trending techniques as they move to their favorite tunes! This fun, energizing dance club offers the values, practices, and experiences that can deeply enrich an individual's life, in a positive way! It offers students to invent as much as they inherit. It will give students the opportunity to learn their own talents in relation to those of others.

Transportation will not be provided as it takes place right after school. Students should have rides available at the end of their session. Students who are not students at Harriet Beecher Stowe School or are non-residents will be responsible to get to Harriet Beecher Stowe School for their dance session.

Classes will be taught by Instructor Kate Andreu. Kate is the Director of Dance Studio 48PAC, is an independent dance professional, and choreographer. She has had many years of experience in dance and has volunteered with youth outreach programs. Her background includes being a youth counselor and Behavioral Health Professional. For the past several years she has choreographed for different programs in Brunswick, Portland, and Auburn. Her energy is exciting and she is looking forward to engaging kids in the love of dance while helping them learn new skills and have fun.

The fee is \$75.00 per participant for Brunswick residents and \$99.00 for Non-Residents. For more information, call the Brunswick Recreation Department at 725-6656. Visit us online at www.brunswickme.org/parkrec to view our refund policy.
