VOLUNTEERS NEEDED

BYSL is an all volunteer organization; we need your help! It takes many people to provide this program to you and your child. Please consider helping us in some way or another. If you have an interest in coaching or assistant coaching during the upcoming BYSL season, then we would like to hear from you. BYSL provides professional training, including: hands on clinics, NYSCA training, handbooks, and advice from experienced coaches. Most coaching tools you already have and use every day as a parent: a desire to have fun with your child and other children, a desire to teach your child and other children, a desire for your child and other children to make new friends and be part of a team.

Please let us know if you are willing to help in the following areas. Check the appropriate box if you can help:
