DATE: May 13, 2020

SUBJECT: Amendments to the Business Licensing ordinance

As the Council may be aware, the Clerk’s Office license a variety of businesses, with different due dates depending on the license type. The payment for all food service licenses and several other types, including movie theatres, bowling alleys, second hand dealers, tattoo artists, and inns, are due by June 30th in order to avoid a late fee. Clearly, with the restrictions of the pandemic, many businesses are closed or have reduced income. We are proposing to allow businesses to have the fee payment extended to no later than December 31, 2020, and waive the late fee.

This will require an ordinance change that the Town Attorney is drafting, and will be provided prior to the meeting. We are requesting the Council set a public hearing for June 1, 2020, and to enact the amendments on an emergency and a regular basis that evening once the hearing is held.

As a point of information, the fees that were generated in these licenses last year were as follows:

- Food Service Licenses: $23,785
- General Licenses: $23,000
Amendments to Business Licensing Ordinance

Municipal Code of Ordinances Chapter 10 Waiving Fees Until December 31, 2020

If enacted, the proposed ordinance will be in effect until December 31, 2020

ARTICLE II. - LICENSES, GENERALLY

Sec. 10-26. - Required; fees.

(a) A person or organization may not engage in any of the businesses or occupations listed below without first obtaining a license from the town according to the provisions stated below, with fees paid in accordance with the Master Schedule of Revenues, Charges, Fees and Fines, Appendix B to this Municipal Code of Ordinances. In addition, the applicant is responsible for compliance with all pertinent town ordinances and state laws. Except as otherwise stated, the license shall expire on June 30 annually.

(b) The fees, in accordance with the Master Schedule of Revenues, Charges, Fees and Fines, Appendix B to this Municipal Code of Ordinances, include an application fee which is nonrefundable if the license is not approved. Unless otherwise designated, the initial license shall be assessed on a semi-annual basis. There will be a late fee assessed to licenses that have expired. The fine will double after the license has been expired for more than thirty (30) days.

For all licenses in section 10-26 that expire on June 30, 2020 and will be renewing, license fees for the 2020-21 licensing year will be waived until December 31, 2020. All late fees related to these licenses will be waived for the 2020-21 licensing year. This paragraph shall be released automatically and stricken from the Code, effective April 1, 2021.
