**Town of Brunswick, Maine  
Housing Committee**

*Background.* Housing diversity and the affordability of housing options within Brunswick are issues which have been discussed in various settings for decades. The recent sharp increase in housing prices has exacerbated these issues and has created an urgent need to address what is now being characterized as a housing crisis. On June 27, 2022, the Town Council adopted a moratorium on the development of new housing exceeding thirty units unless that housing included affordable units as defined in the moratorium. The moratorium is intended to allow the Town time to examine its existing housing stock and to develop recommendations that would require and incentivize diversity and affordability.

Recently, the Town's Comprehensive Plan Review Committee hired a consultant who is responsible for the review of the Town's housing stock and its incentives and impediments to creating more diversity and affordability. As part of the effort, the staff will be working with the Committee and consultant to expedite that review.

*Housing Committee.* In order to expedite and assist in the development of zoning and other regulations related to diverse and affordable housing the Town Council establishes a Housing Committee consisting of:

- 3 Representatives from the Town Council
- 3 Representatives from the Business Sector (Industry, Real Estate, Health Care, or Retail)
- 2 Representatives from individuals engaged in Housing Development
- 1 Representative from Planning Board
- 1 Representative from the Comprehensive Plan Committee
- 1 Representative from the Brunswick Housing Authority
- 1 Representative from the Brunswick School Department
- 1 Representative from a Housing Advocacy Organization

Given the need for urgent action, the Town Council waives its requirement for interviews with its Appointments Committee and authorizes the Chair and Vice Chair to appoint the Committee members. After December 31, 2022, replacement members are required to go through the appointments process, including interviews with the Appointments Committee.

At its first meeting, the Committee shall select a chair and a vice chair from among its members. The chair, with assistance from staff, shall establish the Committee's meeting agendas and be responsible for conducting the meeting. The vice chair shall assume these duties in the absence of the chair.

*Committee Responsibilities.* The Committee shall be responsible for the following:

provide the Town Council with periodic progress reports. Progress reports shall occur at least monthly. The Committee shall make a final report of its recommendations by December 31, 2022.
