Join us as we wonder and learn about mythical creatures. We will build a scary fire-breathing dragon, a lucky leprechaun, and an out-of-this-world alien.

Class begins with a short-lesson specific to the theme, followed by students building their own Lego creation of the week. Once complete, students can free build with a huge assortment of Lego bricks!

Please note—Where this program meets directly after school in the HBS Community Room, the Rec Department will provide supervision in the gym for children coming directly from HBS so that children can unwind until the program begins at 3:45.

If you don’t wish to utilize this service & will drop your child off, please indicate that during registration!

The Parks and Recreation Department encourages individuals with disabilities to register for this program. Should you desire further information, contact the Recreation Department at 725-6656. To view our refund policy, see our current program offerings or register online, visit us online at www.brunswickme.org/parks-recreation
