*Led by Heidi Krieger: Heidi has been working with children of all ages for most of her career. After spending 12+ years as a camp director, she now works at Harriet Beecher Stowe Elementary School. She has a passion for the creative arts and recently started her own business, Creative Adventures for Kids, which offers home art parties for children. She also offers vacation camps for children interested in being creative during school breaks. Heidi loves seeing the imaginations of the participants come to life and the masterpieces that result!*
