### TRAINING AND CERTIFICATION IS MANDATORY FOR ALL COACHES

The Brunswick Parks & Recreation Department will conduct training and certification for all volunteers coaching in the program. The National Youth Sports Coaches Association (NYSCA) certification program focuses on the psychology of coaching youth sports, organizing fun and interesting practices, first aid and safety. ***VOLUNTEERS NEEDED***

Youth Basketball relies heavily on volunteers and we need your help! It takes many people to provide this program to you and your child. Please consider helping us in some way or another. If you have an interest in coaching or assistant coaching during the upcoming season, then we would like to hear from you. Youth Basketball provides professional training, including: hands on clinics, NYSCA training, handbooks, and advice from experienced coaches. Most coaching tools you already have and use every day as a parent: a desire to have fun with your child and other children, a desire to teach your child and other children, a desire for your child and other children to make new friends and be part of a team!
