This spring the Brunswick Parks and Recreation Department will be offering one 5-week and one 6-week session of the Youth Hip Hop Dance program for children in grades 2-5. The 5-week session will run from March 9th - April 13th, however, classes will not be held on March 16th. The fee per participant for the 5-week session is $63.00 for Brunswick Residents and $84.00 for Non-Residents. The subsequent 6-week session will run from April 27th - June 8th, however classes will not be held on May 25th due to the Memorial Day holiday. The fee per participant for the 6-week session is $75.00 for Brunswick Residents and $99.00 for Non-Residents. Once again, this program will be offered at the Brunswick Junior High School as well.

Kids will get up and MOVE to their favorite tunes in this program where they’ll learn trending hip-hop choreography and technique, while developing their understanding of rhythm, body awareness, and self-expression! This fun and energizing dance club offers the values, practices, and experiences that can deeply enrich an individual’s life in a positive way! It also offers students the opportunity to invent as much as they inherit and will give students the opportunity to develop their own talents in relation to the talents of others. Each session will also include an opportunity for dancers to display their learned skills and talents for family and friends on the final day of the program!

Transportation will not be provided. Guardians are responsible for getting their dancers to Brunswick Junior High for their dance session. Students may, however, walk or get dropped off at BJHS from their normal bus route with a permission form!

Classes will be taught by Instructor Kate Andreu.
Kate has been in the performing arts industry for 17 years working on numerous performance and production projects all over the state. She is a USM alumnus with a BS in social work and minor in dance. She choreographed for Dance USM 5 years in a row and has been asked back by Professor Maria Tzianabos to guest teach in the USM dance program. She is a former dance studio owner and currently works as a professional choreographer and consultant. She has successfully designed and implemented dance enrichment programs, master classes and workshops in Portland, Freeport, and greater Midcoast areas. Kate is a well-known performing arts professional with an energy level to match. She looks forward to engaging with her students and helping them find a love of dance and performance!
