Starting the week of **July 27th-31st** The Brunswick Parks and Recreation Department will be offering a **week long** hip-hop, contemporary and Broadway jazz technique dance camp for teens.
The fee is \$140.00 for Brunswick residents and \$186.00 for Non-Residents per participant.

This class involves a fusion of jazz, contemporary and hip-hop dance styles. Jazz is fun, upbeat and is based in ballet, while hip-hop is known for riding the beat of the music in creative and interesting ways. These two styles are fused together in contemporary dance, a style of expressive movement that combines elements of several dance genres including modern and classical dance. The resulting combination is both hard-hitting and emotionally compelling. Students should bring water to class and wear flexible comfortable clothing. There will be an opportunity to perform at the end of the session, so attendance is required. Come ready to learn and work as a team!

Each day will run from 1pm – 4:30 pm and will be a combo camp including hip hop, jazz and contemporary techniques.

Classes will be taught by instructor Kate Andreu.

Kate has been in the performing arts industry for 17 years working on numerous performance and production projects all over the state. She is a USM alumnus with a BS in social work and minor in dance. She choreographed for Dance USM 5 years in a row and has been asked back by Professor Maria Tzianabos to guest teach in the USM dance program. She is a former dance studio owner and currently works as a professional choreographer and consultant. She has successfully designed and implemented dance enrichment programs, master classes and workshops in Portland, Freeport, and greater Midcoast areas. Kate is a well-known performing arts professional with an energy level to match. She looks forward to engaging with her students and helping them find a love of dance and performance!
