

# < MISSION: CODE >

## SUMMER CAMP

**August 3<sup>rd</sup> - August 7<sup>th</sup> 9am - 3pm**  
 (Age 7 through age 12 as of start of program)  
 Brunswick Recreation Center-Preschool Entrance  
**\$260 for Brunswick residents**  
**\$345 for non-residents.**

- COVID-19 Precautions:
- Curbside drop off & Pick up
  - Health Screening at drop off
  - Social Distancing
  - Masks worn if staff/kids within 6 feet of each other
  - Cleaning done daily

<Mission: Code> is a unique summer camp experience that allows kids to learn essential coding skills while also engaging in active games and hands-on learning. Kids will develop computational thinking and problem solving skills in an online game environment where you give a robot a set of instructions to follow in order to solve the level. Each coding session provides kids with a fundamental skill set including algorithms, functions, relative directions and sequences. The combination of online activities paired with engaging offline activities like scavenger hunts, programming a witty robot, inventing a droid, code-cracking mysteries and team robotics challenges that keep kids active and reinforce coding skills is a winning formula for fun in the summer! Children will be given access to this coding platform for up to 1 year. Additional take-homes include building and developing a board game and puzzles that help children practice their computational skills.

**Theme Days: Day 1- Sick' Sequences, Day 2- Far Out Functions, Day 3- Astounding Algorithms, Day 4- Encryption In Action, Day 5- Diggin' into Debugging**

You can find a copy of the complete Mad Science COVID-19 Policies & Procedures manual here:
