Subject: Highway Preservation Paving
Project: 24867.00
Brunswick, Bath Road

Dear Mr. Eldridge:

The Maine Department of Transportation is currently working on estimating a Highway Resurfacing Project on Bath Road in the town of Brunswick for advertisement of the subject project for competitive bids in March of 2021. Construction will occur during the summer months; exact start and completion dates will be forwarded once a schedule from the Contractor has been reviewed and approved.

The project is further described as follows:

Beginning at the West Bath town line, and extending west 1.97 miles to the intersection with the Old Bath Road.

After the new pavement is placed, no permit to open this segment of highway will be granted for a period of 3 years except as provided in Title 23, M.R.S.A. §3352. The purpose of this letter is to make the necessary notifications of the project to abutters, municipal officials and occupants of the highway under the provisions of 23 M.R.S.A. § 3351.

If the municipality has existing loop detection at signalized intersection(s) impacted by the project and wishes to upgrade to video detection, there may be opportunities for the Department to assist with a portion of those costs.

We hereby request that you provide a copy of this notice to all municipal officials, employees and boards with responsibilities for utility and/or land-use planning/permitting, and that you post this letter on any municipal public bulletin boards, media outlets and/or municipal websites as a public meeting will not be held regarding this project unless specifically requested by the municipality.

Should you have any questions, concerns or other areas of interest, we would appreciate your comments and input. LaRay Hamilton is the Project Manager for this project, and can be reached at 885-7029.

Sincerely,

LaRay L. Hamilton

Subject: Highway Preservation Paving
Project: 24909.00
Brunswick - Topsham, Route 196

Dear Mr. Eldridge:

The Maine Department of Transportation is currently working on estimating a Highway Resurfacing Project on Route 196 in the towns of Brunswick and Topsham for advertisement of the subject project for competitive bids in March of 2021. Construction will occur during the summer months; exact start and completion dates will be forwarded once a schedule from the Contractor has been reviewed and approved.

The project is further described as follows:

Beginning 0.12 miles south of the Topsham town line in Brunswick, and extending north 1.79 miles to Route 201 in Topsham, including the Merry Meeting Bay Bridge (#6371).

After the new pavement is placed, no permit to open this segment of highway will be granted for a period of 3 years except as provided in Title 23, M.R.S.A. §3352. The purpose of this letter is to make the necessary notifications of the project to abutters, municipal officials and occupants of the highway under the provisions of 23 M.R.S.A. § 3351.
