Kids will get up and MOVE to their favorite tunes in this program where they'll learn trending hip-hop choreography and technique, while developing their understanding of rhythm, body awareness, and self-expression! This fun and energizing dance club offers the values, practices, and experiences that can deeply enrich an individual's life in a positive way! It also offers students the opportunity to invent as much as they inherit and will give students the opportunity to develop their own talents in relation to the talents of others. Each session will also include an opportunity for dancers to display their learned skills and talents for family and friends on the final day of the program!

Please note—Where this program meets directly after school in the HBS Gymnasium, the Rec Department will provide supervision in the gym for children coming directly from HBS so that children can unwind until the program begins. ***If you don't wish to utilize this service & will drop your child off, please indicate that during registration!***

Classes will be taught by Instructor Kate Andreu.
