This is an adaptive soccer program for youth who experience disabilities of physical, social, communicative, and/or cognitive challenges! Children participating in the program will be supported by a parent or guardian familiar with the child (at least 18 years old) and will work together with the assistance of an instructor to learn the basics of soccer. Each skill is broken down into simple steps so kids and adults have a framework to teach and learn. Youth will make individualized improvements, but will also have opportunities to bring their physical and social individualized improvements together, working as a team and building relationships, all while having fun! One on one attention means each class is tailored specifically to your child's needs and progress. Regular sneakers are acceptable for this program and each child will receive a t-shirt and ball!

About your instructor:

Haley Bernier has been working with children with disabilities since 2007. She is a State of Maine certified special education teacher, holds a Behavioral Health Professional Certification, and is enrolled in the University of Maine Special Education Master's program. Haley lives in Brunswick and is a mom of two children with special needs, one who is an avid soccer player.

COVID-19 GUIDELINES WILL BE CONSISTENT WITH BRUNSWICK SCHOOL DEPARTMENT PROTOCOLS THAT ARE IN PLACE AT THE TIME OF THE PROGRAM SESSIONS.

The Parks and Recreation Department encourages individuals with disabilities to register for this program. Should you desire further information, contact the Recreation Department at 725-6656.
