

The Brunswick Parks & Recreation Department will be offering the *Brunswick Youth Soccer League* (BYSL), this fall. This Soccer Program is designed for youth entering grades K – 8 in 2023 who reside in Brunswick.

BYSL offers one of the most popular and well-established youth programs in Brunswick. Our goals are to teach soccer skills in an environment that fosters player growth, encourages fun, and develops self-esteem for every player. Over the course of 7 weeks your child will enjoy improving their skills in a community-based program, playing with and against friends, neighbors, and classmates, and with a balanced and healthy level of competition.

Please indicate during registration if there is a potential conflict in your family's schedule that needs to be considered for team placement and practices! Teams are put together based on careful evaluations to make them fair & balanced. Unfortunately, we cannot accommodate requests to change teams.

2023 SOCCER LEAGUE VOLUNTEERS NEEDED!

Brunswick Youth Soccer League (BYSL) is a sports program that relies heavily on volunteer participation and we need your help! It takes many people to provide this program to Brunswick Youth. Please consider helping us in some way or another. If you have an interest in coaching or assistant coaching during the upcoming BYSL season, then we would like to hear from you. BYSL provides professional training, including: hands on clinics, NYSCA training, handbooks, and advice from experienced coaches. Most coaching tools you already have and use every day as a parent: a desire to have fun with your child and other children, a desire to teach your child and other children, a desire for your child and other children to make new friends and be part of a team.

Please let us know if you are willing to help in the following areas. Check the appropriate box if you can help:

Coach Assistant Coach
